

<b>Exhibit B Partial List of Documents Not Yet Provided by SCRRA</b>				
<u>Date</u>	<u>Document</u>	<u>File Name and Date Received</u>	<u>Page</u>	<u>Document(s) Not Yet Provided by SCRRA and Certain Notes by Petitioners</u>
9-9-09 and 1-4-10	SCRRA Board Reports	BrdRptMCLM received 5-3-10	1	"The Board may direct staff to seek alternate sources of RF spectrum. Investigation to date has not located any such alternative source." Petitioners did not find in the documents received from SCRRA to date any 'investigation' at all, including any that concluded there were no alternative sources of RF spectrum or other spectrum options.
9/4/09	Email from SCRRA Consultant Alan Polivka to SCRRA Chief Engineer Darrell Maxey	Records Response to Request No 4 received 11-12-10	1	It appears there were communications between SCRRA and John Reardon regarding a "reasonable explanation" of Petitioners' petitions filed against MCLM and its AMTS licenses. Petitioners did not find in the documents provided by SCRRA any record of any memo, summary, email, or other document summarizing or restating this "reasonable explanation" or evidence that it was provided to the SCRRA Board or Management. Further, Petitioners did not find in the documents provided by SCRRA any record of any due diligence or analysis regarding Petitioners' petitions against and claims to MCLM's AMTS auction licenses, even though SCRRA communications indicate SCRRA staff and due diligence experts were fully aware of these.
9/26/09	Attachment to Email from SCRRA Consultant Polivka to SCRRA, Sysstra, XORail	Records Response to Request No 4 received 11-12-10	43	"PTC Spectrum Background Paper.doc" Not Yet Provided by SCRRA to Petitioners
8/21/09	Attachment to Email from SCRRA Consultant Polivka to Eisenberg, Reardon	Records Response to Request No 4 received 11-12-10	57-58	"Guys, Can you give the attached maps ..." Petitioners have not yet received the "attached maps" from SCRRA

12/12/09	Attachments to Email from Kurt Drummond of XORail to SCRRA Consultant Alan Polivka	Records Response to Request No 4 received 11-12-10	99	"217_8 to 217_9 sample.bmp" and "Required MCLM Disclosures re Lessees and Incumbents_r1.doc" Petitioners have not yet received these Attachments from SCRRA
12/12/09	Attachment to Email from SCRRA Consultant Alan Polivka to Kurt Drummond of XORail	Records Response to Request No 4 received 11-12-10	99-100	"Kurt, Attached is a list of the rest of the AMTS A-block channels ..." Petitioners have not yet received this Attachment from SCRRA.
12/12/09	Attachment to Email from MCLM's John Reardon to SCRRA Consultant Alan Polivka	Records Response to Request No 4 received 11-12-10	100	"Dear Alan, Here is a list of channels ..." Petitioners have not yet received this Attachment from SCRRA.
12/12/09	Attachment to Email from Tim Smith of Critical RF to MCLM's John Reardon	Records Response to Request No 4 received 11-12-10	101	"Here are the channels ..." Petitioners have not yet received this Attachment from SCRRA.
Nov-09	Fair Market Valuation done by Spectrum Bridge	Records Response to Request No 4 received 11-12-10	128	"The subject A-block, site specific coverage areas are shown below ..." Map provided to date is blacked out and not viewable. Petitioners have not yet received a viewable map from SCRRA.
Between 11-19-09 and 12-21-09	Emails between Union Pacific and SCRRA	Records Response to Request No 5 received 11-12-10	p 1-3	Content of Email on 11-19-09 and Emails on and after 12-21-09 between Union Pacific and SCRRA suggests there were further communications between Union Pacific and SCRRA. Petitioners have not yet recived a copy of these additional communications between 11-19-09 and 12-21-09 from SCRRA.
